

PROJECT 680

finding practical ways to support local homeless students

Fall Event

FOOT DRIVE

JOINING HANDS TO WARM FEET

The Folsom Cordova Unified School District Liaison for Homeless Services has informed Project 680 of a big need for new socks and shoes for the homeless students in the FCUSD. Therefore, Project 680 will be holding a **Foot Drive** October 11 to November 9, 2011.

SHOES

Our goal is to raise \$680 in Payless Shoe Source gift cards (or checks) in order to put shoes on the feet of students in need. These funds will support both the annual shoe drive in December and immediate needs. We **DO NOT** accept actual shoes because kids will pick out a size and style that fits perfectly. Checks can be made out to "Cordova Community Council" our non-profit.

SOCKS

We are asking for **NEW** (not used) socks in all sizes and appropriate styles for boys and girls in grades K-12. Our goal is to collect 680 packages of socks so that each student will be able to have one week's worth of new socks. We have word that the older students do prefer ankle socks.

Together we can make a difference in the lives of homeless students in our community. Not only will new socks and shoes meet a very relevant and practical need, but it will also speak volumes to students about how the community is looking out for them. Please consider getting involved. Thank you so much for your support.

Advocating for local homeless students does not require a degree in rocket science, but only a willing heart to love in simple ways. Project 680 sincerely belongs to all of us.
